### Steps to Registering Online

- Go to our website. Under the 'Registration' tab, [click on the LINK](#).
- Select which 'memberships' you wish to purchase. You can select multiple memberships at a time.
- You will then be asked to create / login to a SportsLoMo account. If your child played last season you will have an account for registering last season – *Note this year is a new COVID-19 Vaccination status to be completed.*
- Confirm memberships and quantities you wish to purchase before clicking 'Continue'.
- Complete Registration forms for each player/member you are registering, including standard personal information and contact details.
- Click 'Register' at the bottom of the page, which will take you to your 'Purchase Summary'. If you wish to use an [Active Kids Voucher](#), you will need to follow SportsLoMo instructions and apply the 16 digit voucher number appropriate detail at this stage in order to apply against the fees & use the player's DOB as password. – once registration fees are paid, **it is not possible to retrospectively apply an Active Kids Voucher**. A processing fee of approximately 3.5% will be charged on your purchase by the SportsLoMo platform. We have factored in the processing fee so that the total fees paid reflects closely the amounts advised below.
- Once payment has been processed, you will receive a confirmation email to your designated email account.

### Some important points to note:

- Volunteer positions MUST REGISTER**, such as coach, manager and scorer (without which we cannot run the Club). There are no fees to be paid for these volunteer positions.
